What’s been happening at LPS this week....

Today we had a visit from the Salaka drumming team. All the students that attended had a great time. There was lots of drumming and dancing being had with lots of big smiles on all the student's faces.'
Personal Best for Learning

Your respect, responsibility and personal best were on display last week.

From the Principal......

I can’t believe we are more than half way through the term already and we are still having fun with lots more to come.

Mrs Williams and I went shopping last week and as well as buying things for our veggie garden, we also ordered twenty new wheelie bins with lids. These will be a most welcome addition to our playground when they arrive.

Congratulations to the 21 students who represented our school at the district swimming carnival. Sean in Year 2 will now go on to represent the school in the area carnival to be held soon. Well done swimmers. Also in the sporting arena, 3 of our senior girls, Mikayla, Madison and Paige have been selected for the district football team. They play at Blacktown next Wednesday. As well as this, Allanah in 5/6C will be a member of the district netball team. Go girls!

Next week on Thursday the whole school will be celebrating Harmony Day. Students will rotate around activities that promote harmony and multiculturalism. We will also be using this day as the National Day of Action Against Bullying and Violence, so an anti-bullying activity will also be included. Families are invited to join us from 11.30am onwards to join in the activities and bring a picnic lunch to enjoy with your children. To make it even easier our wonderful canteen will fill your basket if you put in an order beforehand. I hope you can come and join us and wear something orange.

The cross country carnival will be held this week, ready for selection to district next term. Please ensure your child has suitable running shoes, water, a hat and sunscreen for the day.

Thank you to those people who took the time to attend our community meeting last week. It was greatly appreciated that people rearranged schedules to attend — it shows you feel the subject of your school is important. Some past issues were raised and some progress was made on future directions with a little input into a shared vision. It may be of benefit to have a follow up meeting to look at vision and purpose more deeply. The work on our new school plan needs to be finalised by Week 1 Term 2, however, the conversation about how and why we do what we do will continue into the future.

Lots of surveys have been returned regarding the OOSCH facility at the school, indicating a strong support for establishment. I had a meeting with DEC representatives yesterday to look at the tender process. A panel will be formed with the Principal as the chair and reps from DEC and the community. Whilst the criteria for selection are set, the panel must decide the weighting of the criteria.

A ‘paper trial’ is underway in our toilets and we will evaluate the effectiveness and options as we go.

The school is organising an ANZAC day ceremony for Friday 24th April at 9.30 am. A guest speaker will attend and I have ordered commemorative pennies for all students. All classes will make a wreath to lay at the flagpole. Families will be invited to attend and more details will go home soon.

Still to come this term we have Maths Deadlys at Cranebrook HS and the Easter Hat Parade; so no time to rest yet.

Yours in learning

Scholastic Book Fair

Our book fair is being held on Wednesday 24th March. This is an opportunity for parents and students to purchase books from Scholastic right in our school library. Students will have an opportunity to look at the books that will be on offer and make a “Wish List”. Book prices start from $5. Families are also able to purchase a book and have it donated to our school library with a certificate of donation put in the front. Purchases can be made on the day from 8.30am and will remain open for sales till 1.30pm. Please be aware that the mornings can be extremely busy.
