What’s been happening at LPS this week.....
Thank you to all the students, staff, special guests, parents and community members that attended our Anzac service last Friday. I think that you will all agree that it was a wonderful service. Special thanks to Miss Crampmond for all the organisation and hard work she put in to the day and to Ms Cutler for the wonderful display in the library.
The P&C will be holding a Mothers Day stall on Tuesday 5th May. Students will be taken to the stall to make their purchases by their class teacher during the day. Gifts range in price from $1 to $10. If you wish for your child to make a purchase on the day, please send them with their money in an envelope with their name and class clearly marked. These are to be given to the teacher after morning assembly.
From the Principal......

Our ANZAC ceremony held last Friday was very well attended, with the key messages of respect and responsibility coming to the fore. Sergeant Shaun Ward, a school parent, spoke to the school community about the history and meaning of ANZAC Day and how we can all use these ideas in our everyday lives no matter how old we are. Stage 3 students stepped up to the mark and ran the ceremony with beautiful solemnity, and as expected, all students K - 6 were exemplary in their show of respect of the occasion. I do hope they will treasure their unique commemorative coins for years to come. There were so many tributes laid at the base of the flagpole, Mrs Hoffmann and I took them to Poppy Park, where they were used to adorn the base of their flagpole, as well as the plaque and center piece. Thank you to Ms Crammond who did a marvellous job with the organisation.

A special mention to Ms Cutler, a school parent who spent the day sharing memorabilia in a display set up in the library.

This term will see the installation of AV equipment in the hall. An automatic screen will be mounted on the back wall of the stage and the projector will be out of sight behind the proscenium. There will be connection points to the right of the stage to enable computers, iPads and iPods to be wired for sound and visual display. This equipment has been long awaited and will enable teachers to conduct lessons for a number of areas much more conveniently and creatively. We may even have a few more hi-tech assemblies coming our way!

Last Friday, in response to the survey about having before and after school care conducted in our school hall, a tender was published on the government website. Once the tender application period closes, in about four weeks time, we will form a panel made up of school, community and DEC representatives to select the successful provider. Once DEC approves the tender application, it will only be a short while until the facility can be set up. This could happen as early as Term 3 this year. I will keep you informed of where we’re up to as we go.

Mrs Caloia, our Teacher/Librarian has decided to relinquish one day per week that she has been working this year. She will now only be at school on Wednesday to Friday. This means that Ms Chantelle Borg has been employed to take the Library lessons on Tuesdays. Mrs Caloia will be spending a bit more time with her young family.

Ms Chambers is continuing on 1C this term and Mrs Hoffmann has taken on a full time role supervising our school learning support. Mrs Harper from the office, is now working full time at another school and we thank her for all her hard work at Llandilo. We welcome back Mrs Hogan one day per week.

Our school plan 2015 – 2017 has now been endorsed by our Director of Schools and will be published on the school website by the end of the week. Thank you to all who assisted us with this process by responding to surveys and giving feedback in meetings.

Welcome to Term 2! We love busy-ness!

“Success usually comes to those who are too busy to be looking for it.”

H.D Thoreau (American author)

Yours in learning

Deborah Getley

School photos will be taken at school on Thursday 7th May, 2015. All students have been sent home with their individual envelope. Please complete the order form on the envelope and return it to the front office by Wednesday 6th May, 2015.

Please be aware of the following:

- No change will be given. Correct money must be sealed in the envelope.
- No late payments can be made.
- Payments can be made online by going to www.msp.com.au

If you wish to have a family photo taken, you can collect an envelope from the front office.

Tips for a great school photo:

- Make sure your hair is neat and tidy.
- Put on your best school uniform.
- Have a healthy breakfast.
- Brush your teeth before school.
- Practice that perfect smile!!
P&C News

Your Child's Safety....

It has been noticed that some parents are doing a U-turn in front of the pedestrian crossing out the front of the school. This is unsafe and puts our students at risk of harm. The local Council Rangers have been notified and will be doing random patrols of the area at peak times. Please drive safely around our school.

SAFE DRIVING
Anzac Service
