What's been happening at LPS this week....

Last Friday during our singing assembly we had a special visitor. Healthy Harold came to see all the students at Llandilo to tell them all about their upcoming excursion to the Healthy Harold house during weeks 7 and 8 of this term. The children thought it was very exciting to see him at our school.
Any parents who would like to be involved in fundraising for Llandilo’s performance groups, please meet in the hall at 3pm on Wednesday 20th May.

Thank You

Mr Bourke
From the Principal......

I do hope you had a great Mothers’ Day last Sunday with your mums and those who are a mum to you. Many thanks to the volunteers that ran our Mothers’ Day stall so that every child had something special to give to mum on the day.

Congratulations to the cross country runners who represented our school last Friday at the district event. Alex, Mikayla and Knate will now progress to the Western Sydney Carnival. Well done, Llandilo!

It is with sadness and great respect that I officially announce the retirement of Mrs Christine Hoffmann from the service of teaching. Mrs Hoffmann has been an educator and Assistant Principal in NSW Public schools for over 40 years – the last nine of them being at Llandilo.

Mrs Hoffmann takes with her many cherished memories and the adoration of students staff and parents. She will be sorely missed, but I know you will join me in wishing her happiness and fulfillment in the next phase of her life. Miss Alex Chambers will continue to teach 1C for the rest of this term, whilst DEC staffing decide how the new Assistant Principal position is to be filled by the beginning of Term 3. The school and P&C will combine to farewell Mrs Hoffmann at an afternoon tea being held on Friday 29th June. An invitation will go home shortly.

Students in Years 3 and 5 are involved in NAPLAN testing this week. Results will be available by the end of Term 3. I’d like to make sure you put this test into perspective and understand that it is only one small way of looking at your child’s learning. If you are in any way concerned about the development of your child, please don’t wait for NAPLAN results, make an appointment to see their teacher as soon as you can.

A few years ago, the pedestrian crossing was installed and purposely located away from the bus zone in front of the main gate at the request of the school community for obvious safety reasons. A staff member always supervises the students crossing here, to meet parents who park on the opposite side of the road.

Disappointingly, we have a number of parents who are putting their children at risk due to their impatient behaviour. PLEASE, let’s not have a tragedy before people realise they need to take more care. Walk your children down to the crossing, a stone’s throw from the main gate, modeling safe pedestrian practices and maybe only taking an extra 1 – 2 minutes to get to your car.

“Children are great imitators. So give them something great to imitate”
