What’s been happening at LPS this week.....
Greg Alexander Shield - Tuesday 26th May, 2015

On Tuesday, the Senior Rugby League team played at Hickey’s Lane.

We played three tough games against Henry Fulton, Kingswood Park and Werrington County.

Our first game we played was against Henry Fulton. The score was 10 - 0 their way. Before our second game, our awesome coach, Mr Andrews, gave us a bunch of tips on how to win the next game.

Our second game was against Kingswood Park and Mr Andrew's tips must have worked, because we won 20 - 4!

The last game that we played for the day was against Werrington County. It was 16 - 14 their way until, during the last few seconds, Frank D. went across the line and scored, making the final score 18 - 16, our way!

It was a tough day at Hickey’s Lane. There were 12 teams in our competition. We ended up coming fifth, just missing out on making it into the semi finals!

Thank you Mr Andrews for being an awesome coach and for supporting us throughout the whole day.

You're Invited!

You are cordially invited to join the staff of Llandilo Public School for afternoon tea to honour and thank Christine Hoffmann for her tireless efforts over the past 9 years in supporting the school and the greater community.

Date: Friday 29th May

Time: 1.30pm - 2.30pm

Where: Llandilo Public School Hall

RSVP: Llandilo Public School - 4777 4124
Two weeks ago I spent an evening at a civic ceremony for our school leaders, Madison and Andrew. Their families and I applauded their receipt of a certificate in recognition of leadership from the Mayor of Penrith, Cr Ross Fowler OAM. We are all very proud of them both.

Continuing on with leadership potential, Stage 3 students have been given the opportunity to enter in the 'Mayor for a Day' competition. They were asked to use their imagination and creativity to portray what they think Penrith will look like in 200 years time. A selection of entries will be submitted to council this week. Out of the final entries selected from local schools, one student gets to be mayor and others will act as councillors.

I have been given the all clear by staffing to advertise for a new Assistant Principal. If all goes to schedule, the process should be finalised by the end of this term. I thank Miss Alex Chambers, who has taken 1C on a wonderful learning journey for the first half of the year.

Due to Miss Borg moving in to a fulltime position at another school, we have asked Mrs Quinn to take up the role doing Library and RFF 2 days per week. Mrs Quinn is very well known by all students and we welcome her as a regular member of our Llandilo staff.

A quick update on things in the pipeline. The installation of AV equipment in the hall will take place next week. This will certainly improve the presentation of events held in the future. The tender for our before and after school care facility closed last week. The panel to select the successful tender will meet next week. The approval process may then take up to 16 weeks. I anticipate the facility to be up and running by Term 4 this year.

The time to say farewell to Mrs Hoffmann has come around rather quickly. I do hope that you may see your way free to come and celebrate her 42 years of teaching at a small, no fuss afternoon tea on Friday. We will start at 1.30pm in the school hall. This event is for parents and teachers. For the last four weeks of this term, Miss Sarah Crammond will act in the Assistant Principal role.

Mrs Hoffmann – this quote is for you........

"Most of us end up with no more than five or six people who remember us. Teachers have thousands of people who remember them for the rest of their lives."

Andy Rooney (American journalist, war correspondent and news broadcaster)

Thanks for giving us so many fond memories to share.

Yours in learning

Deborah Getley

The Way We Were......... With 1B

On Monday, 25th May the students of 1B were joined by Mrs Medak and Mrs Pollard for “Messy Monday”. The class have been looking at how things were done in the past and made their own butter and cooked Johnny Cakes. The children loved shaking their jars of cream and watching it transform into butter, as well has getting their hands sticky making the dough for Johnny Cakes.
