Thursday 18th June - Stewart House bags are collected
Friday 19th June - Stage 3 campers return
Monday 22nd June - Recorder Rehearsals in Sydney
Wednesday 24th June - Reports home this week
Thursday 25th June - SRC Pirate Fun Day
Friday 26th June - Stage 3 Basketball Gala Day
Tuesday 14th July - Last Day of Term

What’s been happening at LPS this week.....

Penrith in 200 Years

Poem

It was in 1815 when a British explorer discovered Penrith,
There was no hustling and bustling or apartments or big Plaza’s,
There was just farming land, trees, hills and grass not a building insight just a house or two if you’re lucky,
People in those houses lived a very happy and calm life,
No hustling or bustling there was very little rush,
But then everything changed…….
Buildings started to get built, lots more houses, nicer cars, there was even much nicer architecture,
And lots of people,
But some people didn’t like that…….

Now in 2215 there will be lots more of apartment buildings and massive Plaza’s,
There is also going to be ultra-modern architecture, buildings looking like waves, big buildings and skyscrapers,
There will be no grass or lovely hills or even tree’s waving in the wind,
There might be some Parks but not natural parks, fake parks……..

I wonder what the future will hold…….

Written by: Maddison S. 5/6C
Hi, this is Mikayla, Isabella and Madison from 5/6C and we are your Roving Reporters for this week.

For the past 3 weeks 38 students have participated in the AFL clinic and it has been running at Llandilo for students to learn AFL skills.

We interviewed 4 students:

We asked Isaac from KN. What do you do at AFL? He said: “At AFL we kick, throw, pass and catch the ball”.

We asked Leo from 2H. What skills have you learnt? He said: “We learn skills such as running straight ahead and keep your eyes on the ball”.

We asked Alex from KF. What do you enjoy at AFL? He said: “I enjoy kicking the ball and throwing the ball”.

We asked Skylah from 2/3C. What AFL team do you support? She said: “I support the Sydney Swans”.

The students are improving and it looks like we have some future AFL stars at Llandilo.
Congratulations to the legend card winners for week 7:

- Josh 1/2F
- Jessica 2H
- Felicity 1B

These lucky children have won vouchers for our school canteen.

Well done to our winners!

**P & C News**

- **www.facebook.com/LlandiloPublicPandC**

**UNIFORMS** - are sold every Thursday 8.30am - 9.15am

**BANKING** - Thursdays

**CANTEEN** - June meal deal: Mac and cheese and popper $3.50.

- 150 Year Committee meeting will be held Week 10, Thursday 25th June 2015 in school staff room at 4.15pm.
  - All welcome.

**Book Collection** - Thank you to the great response. We will be holding another book collection at the end of Term 3. More information shortly.

**Banking News** - We have 3 more weeks left of banking for this term. Please remember to claim your reward items for your child before the term ends if they have deposited 10 times. Term 3 banking will return in Week 2 - Thursday 23rd July.

**Attention Parents!**

- Please be aware that the grass verge on either side of Seventh Avenue can get very wet and boggy. We have already had a couple of parents cars get bogged in the afternoon.
- The Parent Online Payment (POP) system is only for school fees and excursions. You are unable to pay for school uniforms through this payment method. School uniforms can be paid for with either cash or cheque only.
From the Principal......

As we near the end of the term, teachers are finalising the report to parents to send home for all students in their class. The report is a summary of your child’s achievements and efforts in their learning in the first half of this year. The written report will be sent home with your child in the last week of term, we will then invite you to attend a face to face interview with your child’s teacher at the beginning of Term 3. For 1C, the interviews will be scheduled before the end of the term.

The parent assembly last Friday was enhanced by the use of the new AV equipment that was just installed the day before. Thanks to Mr Bourke for preparing the backdrop at such short notice. Congratulations to all awardees and to 1/2F and 5/6C for their stellar performances.

Stage 3 students recently prepared submissions to send to Penrith City Council’s ‘Junior Mayor for the Day’ competition. Six were chosen to send in, with a poem written by Madison in 5/6C chosen as part of the Junior Mayor and Council group. Madison will attend a meet and greet function later in June and will take part in mock council meetings. We look forward to hearing about her experiences. Well done!

This week will see the final visits to the Life Education centre. When I spoke to KF before they went last week, I could see that they were well prepared and not only excited about seeing Harold, but also eager to learn about healthy lifestyles. This is a unique learning experience for our students and we thank Mrs Holliday for her impeccable organisation for the whole school over the past two weeks.

Over the next week, our dance groups will be auditioning for festivals. An incredible amount of dedication and commitment is required for this activity from students, teachers and families. We wish them great success and reward for all their hard work so far.

To date, six students have participated in the ICAS Digital Technologies and Science competitions. Coming up next week we have Writing and Spelling. Well done to all students who have decided to have a go at these. Results will be sent to schools from next term onwards.

Today, Nikolas, Mikayla and Alex from Year 6 are running in the Regional Cross Country Carnival. This light rain will make it an even more authentic experience. We wish them all the best and congratulate their endeavours so far.

Stage 3 are off the Canberra and the snow next week. We wish them a safe journey, great learning and plenty of bonding opportunities, but above all, blankets of cold, white, wet stuff.

‘Snowflakes are one of nature’s most fragile things, but just look what they can do when they stick together’

Yours in learning

Deborah Getley

Johnny Cakes are small dampers (bread) cooked on a grill over a fire or in a frying pan.

**Ingredients:**
- 1 cup of self-raising flour
- ½ teaspoon of salt
- Warm water, Oil
- Butter and Jam

**Equipment:**
- Bowl, Spoon, Knife
- Measuring cup,
- Egg flip
- Frying pan, Plates

**Procedure - How to make Johnny Cakes**

Sebastian

First we put flour and water, next we mixed it up into a ball. Next we cooked it and then we took it out to let it cool down for a little while. Then we put some jam and butter on it. Then we ate it up. They tasted good!

[Student's name]

Murphy, we mixed flour and water to make a dough. Then we cooked it. Then we ate it. Oh, I liked it!
