**Lost Property**

We have recently noticed a huge increase in lost property, especially jumpers and jackets. We can all appreciate that the cost of uniforms can add up very quickly if items are being lost on a regular basis. Please make sure that your child's name is clearly marked on their clothing. If your child accidentally brings home an item of clothing that is not theirs, please return it to the school.

**Stage 3 Camp**

Students from our school will be undertaking an educational tour of the national capital this week. Students will be given the opportunity to participate in a variety of educational programs with a focus on Australia’s history, culture, heritage and democracy.

The Australian Government
recognises the importance of all young Australians being able to visit the national capital as part of their Civics and Citizenship education. To assist families in meeting the cost of the excursion the Australian Government is contributing funding of $20 per student under the Parliament and Civics Education Rebate program towards those costs. The rebate is paid directly to the school upon completion of the excursion and has been incorporated into the cost per child.
