CORE RULES FOR STUDENTS IN NSW GOVERNMENT SCHOOLS

Students in NSW government schools are provided with high quality education so that they may learn to the best of their ability and become self-disciplined, tolerant, enterprising and contributing members of the school and community.

Core rules for student behaviour are based on our core values of integrity, excellence, respect, responsibility, cooperation, participation, care, fairness and democracy.

The role of parents and caregivers is recognised as the primary influence on each child’s character and behaviour. Parents are essential partners in supporting the core rules and in the successful education of their children.

CORE RULES

All students in NSW government schools are expected to:

- Attend school every school day, unless they are legally excused, and be in class on time and prepared to learn.
- Maintain a neat appearance, including adhering to the requirements of the school’s uniform or dress code policy.
- Behave safely, considerately and responsibly, including when travelling to and from school.
- Show respect at all times for teachers, other school staff and helpers, including following class rules, speaking courteously and cooperating with instructions and learning activities.
- Treat one another with dignity and respect.
- Care for property belonging to themselves, the school and others.

Behaviour that infringes on the safety of others, such as harassment, bullying and illegal or anti-social behaviour of any kind will not be tolerated.

STRATEGIES AND PRACTICES TO RECOGNISE AND REINFORCE STUDENT ACHIEVEMENT

At Llandilo Public School an important part of our welfare policy is to recognise and reward student achievement.

GOLD, SILVER AND BRONZE AWARDS

These awards are presented for sustained achievement across all areas of school life. Students self-assess against a set of criteria (see over) to determine their eligibility for an award. Teachers monitor this self-assessment process and work in collaboration with students to define the school’s expectations and the student’s attainments.

The awards are presented at a K-6 Assembly once each Term. Students who achieve the awards are recognised in the school newsletter and receive a special certificate. Students attaining a Gold award attend a morning tea with the staff.

CLASS AWARDS

Our class award system covers social and academic achievement within the school and during all other school activities.

Teachers allocate awards for achievement in any of the following areas:

- Academic
- Excellence
- Citizenship and Values
- Sportmanship
- Leadership

Teachers present an average of 1-2 awards per school day.

ASSISTANT PRINCIPAL’S AWARD (AP AWARD)

When a student receives 5 class awards he/she is eligible for an Assistant Principal’s Award.

He/she must present the 5 class awards to the Assistant Principal. The AP Award will subsequently be presented at a morning assembly.

PRINCIPAL’S AWARD

When a student receives 3 AP Awards he/she is eligible for a Principal’s Award.

The student is obliged to present the AP Awards to the Principal. He/She will be presented with the Principal’s Award at the monthly K-6 Assembly.
BANNER OF EXCELLENCE

After receiving 2 Principal’s Awards students are eligible for a Banner of Excellence.

Students must present the Principal’s Awards to the Principal to be eligible for the Award. Banners are presented at the monthly K-6 Assembly.

STUDENT OF THE MONTH

Each month, one student is selected as ‘Student of the Month’.

The Award is made to a student who displays citizenship qualities deserving of special recognition.

The ‘Student of the Month’ receives a badge to wear for the month and a certificate to keep.

The student and his/her achievements are recognised in the school’s newsletter.

SPORTS AWARDS

Each week, sports awards are presented to students who participate exceptionally well during school sport.

LEGENDS OF LLANDILO

One student from each class is recognised in the weekly school newsletter for his/her achievement in a particular area of school life. The student’s name and achievement is listed under the ‘Legends of Llandilo’ heading.

SUSPENSION AND EXPULSION FROM SCHOOL

There are cases of unacceptable behaviour where it is in the best interests of the school community and/or the student involved, for the student to be removed from the school for a period of time or completely. Suspension and expulsion are the options available to the Principal in these situations.

Suspension allows students time to reflect on their behaviour, to acknowledge and accept responsibility for the behaviour which led to the suspension and to accept responsibility for changing their behaviour to meet the school’s expectations in the future. It also allows time for school personnel to plan appropriate support for the student to assist with successful re-entry.

In determining whether a student’s misbehaviour is serious enough to warrant suspension, the Principal will consider the safety, care and welfare of the student, staff and other students in the school. In most cases, a range of appropriate student welfare and discipline strategies will have been implemented and documented before a suspension is imposed. In some circumstances, the Principal may determine that a student should be suspended immediately.

Immediate Suspension

Principals must suspend immediately a student who:

- Is physically violent – Any student who is physically violent, resulting in pain or injury, or who seriously interferes with the safety and wellbeing of other students, staff or other persons.
- Is in possession of a firearm, prohibited weapon or knife – In this case the matter is also reported to police.
- Uses or is in possession of a suspected illegal substance (not including alcohol or tobacco) or supplies a restricted substance.

Short Suspension

In circumstances where student welfare and discipline options have been unsuccessful in resolving inappropriate behaviour, the Principal may impose a short suspension of up to and including four school days. Short suspensions may be imposed for:

- Continued disobedience
- Aggressive behaviour including verbal abuse and abuse transmitted electronically by email or SMS test messages.

Long Suspension

If short suspensions have not resolved the issue of inappropriate behaviour, or the misbehaviour is so serious as to warrant a long suspension, the Principal may impose a suspension of up to and including 20 school days. Long suspensions may be imposed for:

- Physical violence
- Use or possession of a prohibited weapon, firearm or knife
- Possession or use of a suspected illegal substance
- Use of an implement as a weapon or threatening to use a weapon
- Serious criminal damage related to the school
- Persistent misbehaviour.

In all cases of suspension, the student’s parents will be notified in writing of the duration and reasons for suspension. Parents or carers participate in a suspension resolution meeting convened by the Principal prior to the student’s return to school.
Expulsion

In serious circumstances of misbehaviour the Principal may expel a student of any age from the school. Students expelled from a particular school for misbehaviour may not re-enrol in that school without the approval of the Regional Director of Education.

Appeals

Students and parents or carers may appeal if they consider that correct procedures have not been followed or that an unfair decision regarding suspension or expulsion has been reached.

Procedural Fairness

Procedural fairness is the basic right of all individuals dealing with authorities. Department of Education and Training officers are obliged to follow these principles when dealing with suspensions and expulsions.

The two essential elements of procedural fairness are:

- **The right to be heard** – to know why an action is happening, to know the way in which issues will be determined, the right to know the allegations and the right to respond to allegations.
- **The right to an impartial decision** – the right to impartiality in the investigation and decision-making processes, and the right to an absence of bias.

ACCESSING HELP AND SUPPORT

**Students** are advised to adopt the following procedures in dealing with bullies:

- Avoid them. Walk away. Never find yourself alone with them. Stay in view of an adult. There is strength in numbers.
- Be firm and strong even if you don’t feel it. Look them straight in the eye and stand up tall. Tell them to leave you alone and walk away.
- Ignore them, pretend you don’t hear their comments.
- Find a friend. Play with friendly children.
- Get help from older students or older brothers or sisters.
- Go to the Library.
- Go to a trusted friend and seek help.

Having attempted to deal with the bully yourself using the above strategies, THEN

- Tell your class teacher, the teacher on duty, the bus driver, the Principal or an Assistant Principal.

**Remember:** Don’t fight back physically. That just gets you in trouble too.

**Parents and carers** are advised if their child is being bullied to:

- Listen carefully to their child
- Stay calm
- Give their child some strategies to cope. Practise the strategies with the child
- If their child is different in some way, help them to be proud of their differences.
- If the problem persists, seek assistance from the class teacher
- If the problem continues, seek support from the Assistant Principals or the Principal.

**APPEAL PROCEDURES**

Students, parents or carers may appeal if they consider that correct anti-bullying procedures have not been followed, or that an unfair decision has been reached.

Appeals should be in writing, stating the grounds on which the appeal is made.

Appeals can be made to the following officers:

HOMEWORK POLICY

Homework bridges the gap between learning at school and learning at home. It reinforces work done in class. It helps develop skills such as research and time management.

Homework helps to establish the habits of study, concentration and self-discipline. Parents and carers have the opportunity to see the progress of their child.

THREE TYPES OF HOMEWORK

1. **Practice Exercises** help the student to remember and practice newly acquired skills such as memorising mathematical tables, practising spelling words and reading for pleasure.

2. **Preparatory Homework** requires students to source and read background information to prepare them for future lessons on a specific subject such as reading an article on Henry Ford and mass production in preparation for a science lesson on production techniques.

3. **Extension Assignments** encourage students to pursue knowledge individually and imaginatively. Assignments may include writing a book review, researching local news or retrieving items from the Internet.

HOMEWORK: KINDERGARTEN – YEAR 2

In these early years, parents can assist their children by reading to them and involving them in family activities. These activities will greatly assist the development of their skills in literacy, numeracy and problem solving.

Set formal homework may require children to complete simple computations, to copy letters or words or to complete an activity sheet.

Homework activities would usually total about two hours per week.

HOMEWORK: YEARS 3-6

In Years 3-6 homework will be varied and students will be expected to work more independently. Teachers continue to provide guidance and assistance to students having difficulty completing their homework.

Much of the homework will be in English, mathematics and Human Society and Its Environment (HSIE). However it can be set across all areas of the curriculum.

As a guide, students should complete about two hours of homework per week in Year 3 increasing to approximately four hours per week in Year 6.

PARENT AND CARER HELP WITH HOMEWORK

Parents and carers can help with homework in the following ways:

- Take an active interest in your child’s homework
- Support your child in setting aside time each day for homework.
- Provide a dedicated place for homework and study if possible
- Assist teachers to monitor homework by signing completed work if requested and be aware of the amount of homework set.
- Communicate with teachers any concerns about the nature of homework or your child’s approach to homework
- Encourage your children to read and take an interest in current events.
- Alert the school to any domestic circumstances or extra curricular activities which may need to be taken into consideration when homework is being set or marked.
PEER SUPPORT PROGRAM

The Peer Support program is run annually at Llandilo Public School. The program aims to encourage personal growth of the students and to foster close relationships between students regardless of age. It thereby develops skills necessary for life in a productive society.

Each year teachers are trained and a leadership training program is conducted for our senior students to teach the skills necessary for successful implementation of the program. Some areas covered in training include communication skills, working in groups, leadership and questioning techniques.

The Peer Support groups are formed with senior students as leaders and co-leaders. Students from Kindergarten to Year 4 form the membership of each group.

The groups of around 8 students meet once a week for approximately 30 minutes during one school term. The leaders present a planned program to the group. Thinking skills, problem solving and cooperative learning are developed through the program.

Each teacher acts a patron for around 3 groups. The teachers of senior classes guide the leaders through the content of each session prior to its presentation.

STOP, THINK, DO

Students are taught and encouraged to employ the strategies of ‘STOP, THINK, DO’ conflict resolution.

When faced with a problem, students are taught to:

- STOP: What is the problem? How do I feel?
- THINK: What can I do? Possible actions are considered and the consequences of those actions.
- DO: Choose the best solution and do it.
SCHOOL COUNSELLOR

The School Counsellor is available at the school one day per week.

In consultation with the Principal and Learning Support Team, the Counsellor will:

- Assess students to determine their special educational needs
- Conduct individual and/or group counselling sessions with students
- Advise and assist in the implementation of programs to meet the educational and social needs of students
- Advise staff on matters affecting the wellbeing of students
- Advise parents on the results of assessments

Initially, referrals to the Counsellor will be made through the Learning Support Team. These referrals could be initiated by a teacher, a parent / carer or the Principal.

The role of the Learning Support Team is to assess the student’s needs, to determine the most appropriate course of intervention / action for the student and to monitor the student’s progress.

If determined by the Learning Support Team that a referral to the School Counsellor is the most appropriate course of action, then parental permission will be obtained before the student is referred.
